

GenAI 기초 2: 멀티모달 콘텐츠 제작

Scene Prompt V2

1. Scene 1 - Hero Shot

1) 장면 목적

엄마의 사랑이 아이에게 전달되는 순간을 한 장면으로 표현한다.

제품은 아직 주인공이 아닙니다.

감정이 먼저입니다.

#1 Scene 1 Prompt V2(Final)

Using the attached AgapeSync Mother Reference, Baby Reference, Nursery Reference, and the previously generated Scene 1 image as visual references, recreate the opening hero shot while preserving the same characters, environment, lighting, and emotional tone.

Frame only the emotional connection before introducing the product.

A 30-year-old Korean mother gently wraps her warm hand around her six-month-old baby's tiny hand.

The baby naturally curls its fingers around one of the mother's fingers.

The touch feels instinctive, loving, safe, and completely authentic.

Position the camera at the baby's eye level.

Use an extreme close-up composition.

Ensure the hands occupy approximately 60% of the frame.

Lock the focus precisely on the fingertips.

The mother's face remains softly out of focus in the background with a warm, reassuring smile.

Soft morning sunlight filters through ivory curtains and gently illuminates the baby's skin.

Maintain a premium Scandinavian nursery with no visual distractions.

Use a Warm Beige, Ivory, and Soft Gold color palette.

The image must communicate warmth before technology.

The viewer should immediately feel:

"This child is deeply loved."

Captured using a cinema camera with a 50mm prime lens.

Shallow depth of field.

Soft cinematic bokeh.

Natural skin texture.

Premium textile texture.

Luxury commercial photography.

Apple-inspired minimalism.

Disney emotional storytelling.

Samsung premium lifestyle realism.

Ultra photorealistic.

HDR.

8K.

Leave generous clean negative space in the upper-right corner for future logo and slogan placement.

2. Director's Brief

이번 장면은 제품을 소개하는 장면이 아닙니다.
엄마가 "아이를 떠나는 장면"이 아니라
"사랑을 이어주는 장면" 입니다.
감정이 가장 중요합니다.

#2 Scene 2 Prompt – Director Prompt

Using all attached AgapeSync reference images, recreate Scene 2 while preserving the same mother, baby, product, nursery, lighting, and emotional atmosphere.

The mother gently places the AgapeSync cushion beside her baby.

She quietly opens the smartphone application.

The smartphone is only a supporting tool.

The mother's eyes remain focused on the baby rather than the phone.

One hand naturally rests on the baby's blanket.

The AgapeSync cushion blends seamlessly into the nursery as if it naturally belongs there.

The heart-shaped LED remains turned off.

Warm morning sunlight softly illuminates the room.

Camera positioned behind the mother's shoulder.

Medium close-up.

Natural composition.

Technology remains visually secondary.

Emotion comes first.

The viewer should immediately feel,
"The mother's attention never leaves her child."

Captured using a cinema camera.

50mm prime lens.

Shallow depth of field.

Warm Beige, Ivory, Soft Gold palette.

Luxury commercial photography.

Apple-inspired minimalism.

Disney emotional storytelling.

Samsung premium lifestyle realism.

Ultra photorealistic.

HDR.

8K.

Natural skin texture.

Premium textile texture.

Leave clean negative space in the upper-right corner.

3. Scene 3

AgapeSync 광고의 핵심 장면

#Scene 3 – Director Prompt (GPT Image)

Using all attached AgapeSync reference images, recreate Scene 3 while maintaining identical characters, product, nursery, and lighting.

The baby sleeps peacefully while gently resting beside the AgapeSync cushion.

The heart-shaped LED emits an extremely soft warm-white pulse that resembles gentle breathing rather than electronic blinking.

The baby's facial muscles appear relaxed.

Tiny fingers naturally rest close to the cushion.

Morning sunlight softly blends with the warm LED glow.

No holograms.

No futuristic lighting.

No digital interface.

Technology should almost disappear into the emotional atmosphere.

The audience should notice comfort before technology.

Close-up composition.

85mm cinema portrait lens.

Extremely shallow depth of field.

Soft cinematic bokeh.

Warm Beige, Ivory and Soft Gold.

Luxury parenting commercial.

Apple-inspired minimalism.

Disney emotional storytelling.

Samsung premium lifestyle realism.

Ultra photorealistic.

HDR.

8K.

Natural skin texture.

Premium textile texture.

4. Scene 4

"기억에 남는 브랜드 광고"

Scene 4 – Director Prompt (Final Brand Ending)

Using all attached AgapeSync reference images, recreate the final emotional brand image while preserving the same mother, baby, product, nursery, and lighting.

The six-month-old baby peacefully sleeps while gently embracing the AgapeSync cushion.

The heart-shaped LED softly breathes with a warm white pulse.

The nursery remains warm, calm and filled with gentle morning light.

The bedroom door is slightly open.

The same mother quietly looks into the room with a warm and reassuring smile.

She does not enter the room.

She simply watches with relief.

The camera slowly shifts its emotional focus toward the AgapeSync cushion while keeping the sleeping baby visible.

Create a luxury product hero composition.

Minimal background.

Warm Beige.

Ivory.

Soft Gold.

Leave generous clean negative space in the upper-right corner for adding the AgapeSync logo and the slogan:

"엄마의 사랑을 기술로 이어준다."

The image should communicate:

"Technology quietly carries a parent's love."

Captured using an 85mm cinema portrait lens.

Soft cinematic bokeh.

Luxury commercial photography.

Apple-inspired product ending.

Disney emotional storytelling.

Samsung premium lifestyle realism.

Ultra photorealistic.

HDR.

8K.

Natural skin texture.

Premium textile texture.

Award-winning international commercial photography.

Video Generation Prompt

Create a 10-second premium cinematic commercial for AgapeSync.

//Scene 1

Close-up of a Korean mother's hand gently holding her baby's tiny hand.

Morning sunlight enters a Scandinavian nursery.

Slow push-in.

Warm emotional atmosphere.

//Scene 2

The mother places the AgapeSync cushion beside the baby.

She quietly opens the smartphone application.

She keeps looking at the baby rather than the phone.

Technology remains subtle.

//Scene 3

The heart-shaped LED softly pulses like breathing.

Gentle vibration is implied rather than shown.

The baby sleeps peacefully.

Warm natural lighting.

//Scene 4

The mother quietly opens the nursery door.

She smiles softly.

The camera slowly focuses on the AgapeSync cushion.

Logo appears.

Slogan appears.

Fade to white.

Commercial duration: 10 seconds

• Camera

- Cinema, Slow movement, Natural lens, Warm lighting, No fast cuts, No dramatic transitions

• Visual Style

- Apple Premium Commercial

- Disney Emotional Storytelling

- Samsung Lifestyle Realism

- Ultra Photorealistic

- Natural Korean Family

- 8K HDR

BGM 생성 Prompt (Suno)

Create an emotional cinematic instrumental soundtrack for a premium parenting commercial.

The music should begin with a soft felt piano, followed by warm string pads and a gentle ambient atmosphere.

It should evoke the feeling of a parent quietly watching over a sleeping baby.

Avoid dramatic orchestral builds or strong percussion.

The emotional tone should be warm, reassuring, intimate, and hopeful.

Tempo: 68–72 BPM.

Mood: Warm, peaceful, premium, emotionally comforting.

Style references: Luxury lifestyle commercial, cinematic emotional storytelling.

The ending should gently fade into silence, leaving a lingering feeling of love and connection.
